

In 2025, Coomera Rivers State School will provide an opportunity for interested students in Years 6, to take on the role as a 'Digital Leader' in our school. A Digital Leader learns what it takes to be a positive digital citizen through cyber-safety awareness and understanding as well as learn how to troubleshoot IT problems and support learning using iPads.

A Digital Leader will not only work with other Digital Leaders to support their class, and their teacher, they will also be required to support other classes in other year levels.

- \* Students applying should have consistently very good behaviour and effort, noted on their most recent report card.
- \* Students applying must commit to regular meetings and activities, including supporting other classes, and teachers, across the school. There will be at least 5 meetings each semester during 1<sup>st</sup> break.
- \* There can be multiple 'Digital Leaders' in each Year 6 class.
- \* Students can apply for, and hold, multiple leadership roles in the school.
- \* Refer to the whole school approach 'Student Leadership - iLead@Coomera Rivers', on our school website, for more information.
