2019 student leaders announced
And the caliber and potential are enormous

You might be surprised to know that we begin teaching children about leadership from Prep. Following the school rules and wearing our uniform is the first level of discipline and this is essential for anyone who aspires to represent and serve others. And this is exactly what great leaders do – they serve others and do what needs to be done. And while leadership can be extremely satisfying, it is never easy.

This week saw the conclusion of the 2019 school leadership selection process with the announcement of school leaders from Years 3-6. Our school has 30 leadership positions and these are awarded to Year 6 students following a very rigorous selection process. There are a further 27 Student Council Representatives who are elected class advocates. Each of our school leaders has a role to play but the most significant thing they do on a daily basis is to be a role model for others to follow.

Congratulations to everyone who earned recognition this week. I know that you will represent our school with pride.

The Year 5&6 Chinese calligraphy club has had a great time this week practicing traditional Chinese writing. They also tried paper cutting to celebrate the Chinese New Year and decorate the classroom.
Parent/Carer Workshop: Learning to Read in Prep
Wednesday 20th February 8:30am – 9:15am

Reading is the most important thing your child will learn in school.

Come along to our parent workshop and find out how to best support your child at home.

The workshop will:
- Explain how we teach reading at CRSS.
- Show you an example of a typical reading lesson at school.
- Provide tips and strategies for supporting your child at home.

We welcome all parents, carers and members of the community.

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.” -Dr. Seuss
Rule of the week for Week 4

We are safe, respectful learners at Coomera Rivers when we....

Be a learner

Be part of the Coomera Rivers’ team and Be A Learner:

1. Be an active, whole body listener
2. Be an organized learner with everything ready for the day
3. Follow all of the iPad rules
4. Follow the instructions of all adults
5. Complete set homework tasks and tasks given in class
6. Always do your personal best!
Each week I will update our families with information about our school’s behaviour expectations. Our school Positive Behavior for Learning plan is on the school website. Our school invests most of our time towards teaching and rewarding the positive behaviours that our community wants.

Topics
Newsletter 1 – Swearing and inappropriate / offensive language and gestures
Newsletter 2 – Managing conflict
Newsletter 3 - Aggression
Newsletter 4 – Violence
Newsletter 5 – Bullying

Aggression
Aggression – physical or verbal – is never appropriate in our school and community. It stems from episodes of conflict that are not properly managed. All aggression will result in the school investigating the incident and trying to guide students through better ways to manage BEFORE aggression begins. We may also implement a supportive behaviour plan to assist those students who regularly experience trouble with managing aggression and provide closer supervision.

Aggression at school (remembering that our children range in age from 4 to 12) might include pushing, shoving, hitting, kicking, tripping, grabbing, wrestling, name calling, swearing, intimidating behaviour, threatening behaviour. For students it is often in a form of retaliation.
No student will be in trouble at school for being involved in respectful conflict. Teachers will intervene if they need to support students resolve issues. If the students are managing respectfully, we will monitor. We teach and expect students to Stop – Walk – Talk. If this is done well, it will work so please support us with this strategy. I realise that you will want to tell your children to ‘hit them back’. This is nasty in 4 year olds and potentially deadly in teens. We have all seen tragic instances where young boys and men have been killed by one punch. Decide now how safe you want your child to be in the future.

You need to be aware of the consequences that could be applied should your child become aggressive or retaliate aggressively. They are determined on individual circumstances and include:

- Time out of play (Up to 5 days for senior students)
- Restitution
- Detention or multiple detentions
- Restricted play
- Meetings with families
- Suspension for repeated instances. Periods may range between 1 to 20 days.
- Repeated aggressive incidents will result in suspension of increasing periods
- Exclusion from school may be applied if necessary

** Swearing, offensive language or gesture expectations will always be applied. Refer to Newsletter 1 for more information about this.

Better decisions are expected of the Year 3-6 students as we believe that our junior school needs time to learn and practice appropriate respectful behaviours in the school context. Senior students know the expectations and are aware of the consequences. Adults are expected to manage conflict respectfully at all times.

**NOTE:** Trial dates are subject to change.
21 students from Year 4 to 6 and 8 teachers completed the first training session for the Kokoda Schools Cup Challenge. The Currumbin border track provided the perfect terrain for our keen students. Students learned to hike the hills, run the flats and jog down the hills. The actual event takes place in June so our students will be more than ready when the time comes. Our teams won’t be selected until after a few training sessions so it will be interesting to see who comes back next fortnight to push themselves further. A big thanks to our staff for giving up their Saturday morning to provide this wonderful opportunity for our students and also to parents for getting up before sunrise to drive children to our training. There’s a real sense of achievement after each training session however there’s sure to be a few sore legs too!

Need a car park?

It is always super busy on the roads and in the car park at our school each morning and afternoon as we all start and end our daily routines. It is especially necessary around schools to be extra vigilant, patient and courteous.

Please do not park across the drive ways of our school neighbours or use the Play School centre next door to the school. Their car park is for their families to use. Please do the right thing and follow the instructions on signs and those given by staff at the Play School Centre.
SOCIAL TENNIS AND BASKETBALL
Monday 8.30am - 10am

There is no cost to join in and equipment is available from Corporate Services.

Simply meet at courts after drop off and join other parents for some social sporting fun.
Please join us at our next P&C meeting

P&C meetings are a great way to keep up to date with what is going on around our school. They provide our families with an opportunity to provide input and feedback on matters relating to school and community life.

Meetings are open to all families and we encourage families to come along and contribute to your school community which forms a vital part of your children’s educational journey. Our February meeting agenda currently includes:

- Outside School Hours Care
- Air conditioning
- Traffic in our community
- Vuly sponsorship
- School Banking
- Buy Sell Swap Facebook page
- 2019 Calendar

Our first meeting for 2019 will be held on Tuesday 19 February at 6pm in Corporate Service. Everyone is very welcome and we look forward to seeing you there.

If you have an item you would like added to the agenda, please email the P&C Secretary by 9am Monday 18 February at pandc@coomerariversss.eq.edu.au.
SCHOOL BANKING

Starting back in Term 1 Week 3, School Banking is every Wednesday.

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. **Online**
   
   Visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account.

2. **In branch**
   
   Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver’s licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

When sending your RSVP, please indicate what date you will be attending.
Prep Scholastic Book Fair

We have a very special event exclusive to our Prep families – our Prep Scholastic Book Fair.

During the week starting the 18 February, Prep students will visit our iCentre in their library lesson time and will have the opportunity to view the amazing variety of books available for purchase.

As children browse through the display of books they will discover that each book is numbered. The numbers are a time saving idea so that children don't have to write the full title of each book they 'wish' to purchase. Your child may come home with a 'Wish List' with a list of numbers that may not make a lot of sense to you (I'm sure some wish lists will be longer than some!) To help make this 'Wish List' make sense and provide you with a clear picture of what books appeal to your child, we have emailed home a complete list of books housed in our Prep Scholastic Book Fair with their corresponding number and price.

This will help you make an informed decision on whether you'll purchase from this 'Wish List' or not. This is also particularly useful for parents who are unable to make to the Prep Scholastic Book Fair themselves. Payments can be made using cash, eftpos or by filling out your credit card details on the back of the 'Wish List' form. Students can then place their orders before or after school in Week 5 (Monday 25/2 - Friday 1/3), during lunch breaks or during their library lesson time. Students who come to school with payment should let their classroom teacher know so that they are given an opportunity to make their purchase and their money/payment method is kept in a safe place while they wait for a suitable time to visit the Prep Scholastic Book Fair again.
Students will not bring home their BOOK orders on the day of purchase. We will endeavor to deliver most book orders on the Friday afternoon of Week 5 (1/3) or in Week 6. Any order that cannot be filled in its entirety, will be held until we can fill the complete order. We expect any orders that we need to make to complete these orders will be received during Week 6 of this term and distributed by no later than the end of Week 7.

We're sure you'll be impressed with the range of books on display in and hope that you too, get an opportunity to visit the iCentre during our Prep Scholastic Book Fair. The Prep Scholastic Book Fair is open each morning before school at 7:45am until 9am and each afternoon from 2:00pm until 3:00pm and will officially close on Friday 1 March at 9:00am.
