Investing for Success

Under this agreement for 2019
Coomera Rivers State School will receive $453,553

This funding will be used to

- Ensure the explicit teaching of reading and writing for all students by continually building teacher capacity
- Focus school targeted instructional strategies to increase the percentage of students achieving a ‘C’ or above within English and Maths
- Increase the percentage of ‘C and above’ English results to 85% or greater

Our initiatives include

- Creating opportunities within a professional learning community for teachers to critically reflect on student learning with guidance from Teaching and Learning Co-ordinator’s and school leaders in order to evaluate teaching strategies and identify successful practice.
- Targeting Prep, Year 1 and Year 2’s reading by embedding our cohesive approach to the teaching of reading and writing with a focus on phonics.
- Providing intensive intervention program for all students from Year 3 – 6 in reading to improve our reading outcomes.
- Continually improve teacher instruction capability in literacy and numeracy through a comprehensive coaching plan: instructional coaching; collegial coaching and mentoring.
- Improve the instructional capability of assistant teachers and parents to support student learning.
- Review and track student learning each week in Professional Learning Teams, against school targets and apply universal, targeted and intensive interventions to maximize learning outcomes for every student.

Our school will improve student outcomes by
