We are here for learning
Good at learning - Good at life

Leveraging Digital and BYO iPad Program

 Distinguished School
Recognized by Apple as a distinguished school for
innovation, leadership, and educational excellence.

Parent Checklist *– Preparing for your child to bring their iPad to school*

☐ Ensure your child has an iPad to bring to school to support them with their learning (refer Student iPad Requirements).

☐ **Repair any damages** to the iPad. This includes cracked glass screens.

☐ Create an Apple ID for your child.

☐ Add a **Passcode** to your child's iPad (a Department of Education Queensland requirement for inTune, **students require a passcode to unlock their iPad**).

☐ Add a **Lock Screen photo** of your child's face (for ease of identification if the iPad is misplaced). Students will also be required to have their **iPad named** with their current class e.g. 4A John S (Go to Settings – General – About – Name).

☐ **Enable** = Speak Selection / Dictation / Dictionary / Predictive Text.

☐ **Disable** = iCloud Photos / Offload Unused Apps.

☐ Install and setup **inTune Company Portal app** on your child's iPad (refer to setup process document or setup process video).

☐ Setting Parental Controls, will allow parents to setup screen time and restrict content and apps students are able to access.

☐ Download the Required Apps on your child's iPad, **via the inTune Company Portal app**. Our school has purchased all apps apart from Book Creator for Years 2-6. Parents do not need to purchase other apps nor pay for in app purchases for any apps.

☐ **Update your child's iPad** to the latest version of iOS. Settings – Software Update. Also **update school apps**.

☐ Check the **storage space** on your child's iPad and delete photo/video from the camera roll (and recently deleted folder). Go to Settings – General – iPad Storage.

☐ **Delete home apps that are no longer used** or that take up a lot of storage.

☐ **Delete school content, in apps, that is no longer needed** e.g. Book Creator, Pic Collage, Keynote, Pages, Clips, etc.

☐ Discuss the CRSS iPad Expectations, Cybersafety Expectations and Digital Devices Responsible User Agreement with your child. These documents can be found on our school website: www.coomeriversss.eq.edu.au

☐ You are aware of the log in details, user name and password, for your child for the following (t*hese will be provided after the start of the school year unless otherwise already known*). Other apps may request a user name and password to be created, there is **no need to do so** unless requested by your child's class teacher.
   o **Network** (MIS id and password), **IXL**, **Raz**, **Vocabulary A-Z**, **Epic**, **Decodable Readers** (Prep – Year 2)

☐ **Accept the Invitation** for your child's **Seesaw Classes**.

☐ Read the Department of Education, Cybersafety: Information for Parents and Carers.

NEED FURTHER HELP: See your child's class teacher if you experience difficulties with any items on this checklist OR alternatively email IT@coomeriversss.eq.edu.au or visit the CRSS Genius Bar in the iCentre before school, 7.30 – 8.30am each day.
